

are not found in the English translated specification.

Further, a request is hereby made to cancel the claims numbered 1-10 on page 6 of the English language translation of the International Application and insert new claims numbered 11-22 located on pages 12, 13 and 14 in the substitute specification.

A substitute specification is included since all of the amendments to this §371 U.S. National Phase application are made by way of inserting substituted pages. Accordingly, whereas the English language translation of the International Application includes pages 1-8, the substitute specification includes pages 1-15. Pursuant to 35 U.S.C. §371(c)(2) a copy of the English translated specification, pages 1-8, is enclosed hereto.
